

CAMPUS CARE

Annual Multi-Facility Roof & Building System Contracts

Whether you manage a few locations or an entire campus, Greenwood Roof Services provides you with a full range of roof and exterior building envelope solutions to ensure your building systems perform properly, protecting the people and assets within.

Maintaining properties and multiple facilities is a time-consuming process for owners and managers. Juggling numerous contractors to meet various building system needs can often lead to poor service and overlooked issues. At GRS, our professionals meet with facilities managers and tailor a plan that best suits their requirements. By assigning a single point of contact, we serve as an extension of your team, ensuring roof and exterior envelope issues are addressed timely and with long-term solutions.

Here's how we deliver our services to our customers:

- One call, one vendor, one invoice
- Expert, responsive customer services available 24/7
- A dedicated point of contact to handle your call
- Exclusive building management software for easy online management and scheduling

Save the hassles of dealing with multiple vendors and insurance certifications. Our team of roof and building envelope professionals will develop a custom annual maintenance and service plan to meet your exact needs.

Our Services Include:

- Inspections
- Preventative Maintenance
- Roof Restoration
- Waterproofing
- Masonry Work
- Snow Removal
- Safety Audits & Installations
- 24x7 Emergency Response
