

Firestone Bestows Millbury Company with 2012 Distinguished Roofing Industry Award

Millbury, Mass. – Local Millbury firm, Greenwood Industries, Inc., is recognized by Firestone Building Products Company, LLC, with the 2012 Firestone Master Contractor Award. From a network of more than 3,000 Firestone-licensed roofing contractors, the esteemed firm is among the top 256 to be honored for high-quality roofing system installation and outstanding service.

"Contracting a Firestone Master Contractor provides building owners and roof consultants with the assurance that their roofing project will be completed with great skill and expertise," said Tim Dunn, president of Firestone Building Products. "Firestone congratulates Greenwood Industries, Inc. for providing exceptional client services and delivering superior products, solutions and installations. Throughout this past year, this firm consistently demonstrated top-quality workmanship that merits the Master Contractor award."

Celebrating its 25th year, the Master Contractor program has commended notable roofing firms for attaining Firestone's high level of standards, which are based on total square footage installed and outstanding inspection ratings. Firestone's first-rate contractor firms in United States, Canada and Mexico are eligible for the award.
