

World Class Roofing and Waterproofing

Greenwood Industries Inc Approved as Sika Sarnafil Elite Roofing Contractor

Millbury, MA – January 2012 – Sika Sarnafil has approved **Greenwood Industries Inc** as an Elite level roofing contractor for installation of Sika Sarnafil roofing systems. The company is one of just 146 Sika Sarnafil Elite roofing contractors in the United States to be selected in recognition of their commitment to high quality roofing installations.

Every Sika Sarnafil approved contractor goes through a rigorous training and evaluation program to assure that they meet Sika Sarnafil's high standards. In addition, each contractor is evaluated and rated annually on a variety of technical and business criteria and classified into one of three categories – Elite, Alliance and General – with Elite being the highest level of achievement.

“We are pleased to recognize Greenwood Industries Inc as a Sika Sarnafil Elite Roofing contractor,” said Brian Whelan, senior vice president of Sika Sarnafil. “Elite level roofing contractors are the best in the business, having demonstrated an unparalleled commitment to quality and the roofing industry.”

For information on the roofing services of **Greenwood Industries Inc**, call **508-865-4040**.

Sika Sarnafil has almost 50 years of experience in providing thermoplastic, single ply membranes for a wide range of roofing and plaza deck waterproofing applications. The company is known for its high quality, long lasting membranes and systems that help building owners achieve a sustainable roofing solution. Sika Sarnafil is a division of Sika Corporation.
